

Atir Carrara

MAAMI
HOME

Offered in different marble varieties, all carved from a unique piece of stone, perfectly matching the slim milled metal leg. ATIR is a piece of exquisite elegance and lightness, with an intriguing sense of disequilibrium and instability, given by the presence of only one leg. A slim height drawer and shelf, as well as the top, offer comfortable storage space to this partially wall mount piece of iconic furniture.

Name Atir Carrara
Category console
