HOME

FIORE CALACATA VIOLA is a lamp designed for comfortable spaces. With a disconcerting simplicity, FIORE CALACATA VIOLA is made of brushed aluminum and marble stone, and the scenic light it projects has been thought of in detail.

FIORE represents MAAMI HOME's vision of transmitting all the versatility of marble stone. Despite the robustness of the material, MAAMI challenged the limits of marble by excavating the stone to explore its translucency. The introduction of aluminum gives the piece greater lightness, ensuring the experience of functionality and contemporaneity that is part of the brand's DNA.
