

NAVAGIO

STAND ALONE CONCEPTS

MAAMI
HOME

NAVAGIO is a piece of great elegance in MAAMI HOME's bathroom collection. With its simple lines and visual lightness, NAVAGIO recreates a true haven of wellbeing and tranquility. The wall mounted washbasin is made from a beautiful natural travertine stone. This model can be manufactured with a cabinet in oak or palisander wood veneer.

Name Navagio **Designer** Tcc Whitestone Industrial Design Studio, 2015

Materials & finishings Navagio mirrors the perfect combination of the stone's mitre cut, using sophisticated cutting machines, and the mastery of gluing by the hand of experienced artisans.

Installation stand alone **Production Details** Marble stone cut and glued to mitre, lined with wood veneer matching the wooden veins in the joint parts.

Dimensions (cm) H35 x L120 x D50 **Weight** (Kg) approx 100
