HOME

OLUDENIZ Gris Douro Marble Shower Tray is crafted with precision and elegance. Designed with both style and practicality in mind, the left side of the tray features five small-scale slabs strategically positioned to facilitate seamless water drainage, ensuring a consistently pristine surface. In OLUNDENIZ marble shower tray functionality meets safety with its leather finish, providing anti-slip properties for a secure bathing experience.

Name Oludeniz Raised Gris Douro

Category Shower Tray

Designer Fábio Teixeira

Year 2017

Materials & finishing Shower tray in honed matte marble with a slope for water drainage. The usage area features a non-slip leather finish for added comfort and safety during use.

Production details The shower tray is produced using a 5-axis machine and is hand-finished by artisans.
